

Experience the romance of travel by train aboard Colorado's Royal Gorge Route Railroad. Your journey begins at the historic Santa Fe Depot, where you'll depart for a spectacular ride along the winding Arkansas River, complete with high-desert vistas and dramatic views of the 1,000-foot granite cliffs that tower above the train.

Enjoy it all in comfort and style, in air-conditioned rail cars, while relaxing in coach, vista dome, bar or club class for breakfast, lunch, dinner, murder mystery, or one of our award-winning wine dinners. Celebrate the day with a special vintage from our extensive wine list, or order your favorite libation from our full bar. At your leisure, step outside to one of our open-air cars for a closer look at one of Colorado's most spectacular natural wonders.

We invite you to join us for an unforgettable journey through the Royal Gorge, Colorado's grandest canyon. To purchase tickets to ride the Royal Gorge Route, visit **RoyalGorgeRoute.com** or call **719.276.4000**.
